Membership:

Full membership \$50, can be split into 2 \$25 payments over 2 stops, full membership must be paid in order to bowl in \$100 stops

Personal Conduct:

You must conduct yourself and others in your party as professionals at all times. Lofting balls, use of foul language, slamming or hitting any equipment will result in a \$25 fine and upon second warning disqualification.

Dress Code:

All current/previous members must wear a shirt (any kind) with their name on the back and the NETS patch either on the sleeve or breast pocket. Full time members will get a patch when they join the tour. Associate members do not need a shirt for their first stop, and will not receive a patch.

If you've already been verbally warned about a shirt, next time is a \$20 fine, next time you don't bowl. Shorts and Hats are permitted. Be respectful to the tour. Nothing vulgar, racist or any shorts with holes

- A. 2024/2025 Final NETS Average, min 24 games

All Bowlers must check in 30 minutes before their scheduled shift time.

If you arrive late and the shift has already started, you get a zero for every frame missed. If you miss a complete game, you are disqualified. If there is an opening on the next shift, the director may allow you to bowl on that shift.

If you sign up and don't show or call to cancel 1/2 hour before your shift, you'll be fined: 1st time \$10, 2nd time \$20, 3rd time suspended

Qualifying Round:

New England Tournament Series 2025/2026

Governing Body: Nick Muscatelli, Mia Femino, Steve Mollicone, Alicyn Mollicone

- 6 game block is bowled(Friday or Saturday), depending on the amount of entries for a shift, we may bowl frame for frame or ball for ball
- Qualifiers are based on the number of entries (see prize list)
- Upon completion of each game, the bowler must initial their scorecard. Any changes must be initiated by a Tournament Director.
- Anyone found cheating will be suspended from the tour and written up to the NDBC.

In the event of a tie for the last scratch qualifier:

- 1 game roll-off (Saturday if both bowlers are present or Sunday at 1:00pm)
- If still tied after 1 game, 2 frame roll-off will be used. If still tied, 1 frame at a time to determine the winner.

In the event of a tie for the last pins over average qualifier:

- 1 game roll-off, bowler with the most pins over their average advances
- If both bowlers don't bowl over their average, the bowler closest to their average advances. If still tied, the highest score wins.

In the event of a tie for the final scratch spot: if one of the bowlers can qualify for a pins over average spot, they get that spot and the other bowler makes the scratch cut

In the event of a tie for the final scratch spot: where both bowlers can qualify as pins over average, the bowler with the most pins over average will get the POA spot and the other bowlers will get the scratch spot.

In the event of a tie for the final scratch money cut spot: the bowler with the highest game gets the money cut.

In the event of a tie for the final POA money cut spot: the bowler with most pins over their average in 1 game gets the money cut.

In the event of not enough POA qualifiers above their average: we'll move bowlers from the scratch cut, working from last in then up that had enough pins that would put them in the POA division. For every one that moves, we take the next scratch bowler for the scratch division.

Divisions:

Check in for all qualifiers and alternate(s) on Sunday is normally 1:30, sometimes 2:00. **LISTEN TO THE ANNOUNCEMENTS!!**

If you are 1-10 minutes late, it is a \$50 fine, if you are more than 10 minutes late, you will not bowl. The alternate will take the spot. You become the alternate.

Scratch Alternate: will receive a minimum of \$75. If there is a tie, the bowler with the highest game during qualifying is the alternate.

POA Alternate: will receive a minimum of \$75. If there is a tie, the bowler with most pins over their average for one game during qualifying is the alternate.

If the alternate does not show or stay for the entire head-to-head competition, no one will receive the alternate money. (Tournament director decision).

Each bowler will bowl 5 head-to-head games in their division.

All ties for an individual game: Bowlers will have a 2 frame roll-off, followed by frame to frame to award a win/loss for that game.

Ties for placement after divisional round: All ties will be broken by 5 game divisional total pinfall
